

# NATHALIE DOGNIEZ

## PROFILE

Nathalie Dogniez is a Partner of The Directors' Office, the leading practice of independent directors in Luxembourg, which she joined in 2023.

Nathalie has been auditing and advising asset managers, asset servicers, very large investment funds complex (UCITS and Alternative) in Luxembourg and across Europe since 1989. She has acquired deep expertise over UCITS, MMFs and AIFM environment, products and regulation.

Over more than two decades, she has developed strong expertise in sustainable investments, including ESG investment process, SFDR reporting and ESG data challenge.

She has developed her digital skills through major digital and big data (including ESG) that she led for PwC Luxembourg and globally.

She also got exposed to Investment Funds Governance challenges in her role of ILA Funds Committee chair.
